DETROIT LODGE NO. 7

www.DetroitLodge7.org

Dear Detroit Lodge Members,

Having the ISMA flag flying at the Soo Locks, as you read this message, should be a source of great pride for all members of Detroit Lodge No. 7. It was the result of generous donations from our lodge members that made that event happen for the first time. As a Lodge, we continue to donate support to several maritime organizations again this year. We have a lot to be proud and thankful for as members of the ISMA Detroit Lodge No. 7.

It is for that reason that I encourage all Lodge Members to attend this year's annual Dinner Dance. This is the fundraiser that supports all of our projects during the year. More importantly, it is an opportunity for all members to re-connect with each other while enjoying good food and conversation. This event is open to all members, their friends and/or relatives. Selling many tickets will allow us to continue supporting organizations such as the Noble Odyssey Foundation and the Great Lakes Remembrance held at Dossin Great Lakes Museum. So please, consider attending this very worthwhile event on February 26, 2018. Enjoy a dance or two with your significant other while renewing maritime friendships with members of the ISMA Detroit Lodge No. 7. Everyone benefits!

John C. Mantyk, President
International Shipmasters Association Detroit Lodge No.7
